Thursday while talking with several farmers we were told by them: We have never known as much corn in this section to be husked and cared for in the same length of time, as there has been during the past 15 days.

The DEMOCRAT would be pleased if the ladies raising and selling quantities of chickens, ducks, geese, turkeys or eggs, would report same to it. We think the ladies are entitled to the same consideration and space the stock men are. Now ladies it is up to you, for we know you are true help mates on the farm.

FINE GAME

Of Basket Ball Visitors Said: Fair And Are Highly Pleased.

There was a fine game of basket ball played at the opera house Saturday night by the ladies team of the Palmyra High School and the ladies team of the Monroe High School.

The Palmyra ladies characterized the game as being "A fair one, well played and well earned."

PALMYRA.

Goal Pitchers—Amelia Bowen, Viola Jekins.

Guards—Capt. Maud Coovort, Grace Frazier.

Opposing Guards—Ivory Cary, Louise McComb.

MONROE.

Goal Pitchers—Bess Marshall, Bessie DeLashmutt.

Guards—Capt. Alice Marshall, Gertrude Marshall.

Opposing Guards—Lillian Marshall, Ella Boardman.

Referee—Clara Schmitt.

Umpire—Susie Rabourn.

The audience was the largest that ever witnessed the game in this city. Palmyra defeated the Hannibal team one week before, but was defeated by Monroe by a score of 20 to 27.

Miss Louise McComb had to quit the game on account of a badly sprained ankle. Basket Ball is almost as strenuous a game as is foot ball.

After the game the visiting team and the home foot ball team was entertained at the home of Miss Bessie Sharp by the home basket ball team.

Is it possible that the aristocratic ladies of Paris turned the Monroe team down, not so much because it was plebian as because they feared their fate would be the same as that of their foot ball brothers.

Hot Time.

Saturday bids fair to be a warm day for lovers of athletic sports in Monroe City. In the afternoon the Shelbyville and Monroe teams will meet on the Grid iron at Jacksons park at 3 o'clock.

In the evening at the opera house at 7:45 the basket ball teams composed of ladies of the Monroe and Hannibal High Schools, will play a decidedly interesting game. After the game the home team will entertain the visiting team at the opera house until train time for the guests.

Elsewhere in the DEMOCRAT will be found the official statements of the Farmers & Merchants Bank and of the Monroe City Bank. These statements show both banks to be in excellent condition. The total amount on deposit in Monroe City is \$334,110.41, which is a neat little sum. Both of these solid institutions are under the direct control of good, safe business men and their boards of directors are composed of some of our best and most substantial citizens, consequently have the entire confidence of the people and they deserve it.
